Here is your name and 4-digit code. To translate this into a course access code, you will begin with my name (no spaces), a dash, your student CARS id, another dash, then this code.

For example, if Tom Jones was in the class and his student ID was 987654 and his 4-digit code was 3210, his access code for this course would be jeffkallenbach-987654-3210.
